**We're delighted to share that The Bible Comes to Life Exhibition will be visiting Southwell Thursday, 5<sup>th</sup> March to Saturday 7<sup>th</sup> March. Leaflets are available on the table at the back of church with visiting times.**

**Hosted at Southwell Methodist Church, this immersive exhibition offers a hands-on, visual journey through the world of the Bible — helping visitors of all ages**

*More volunteers are needed to help set up, steward during the exhibition and help take it down again. There is a sign-up sheet at the back of church or please let [Julie Barker](#), [Peter May](#) or [Caro May](#) know when we might be able to help.*

## **The Choral Pilgrimage 2026: Southwell**

16 April 2026 | 7.30 – 9.15 | Southwell Minster

The music of the Spanish Renaissance is the focus of this year's tour, 'Lead, Kindly Light'. From sadness to great rejoicing, the wealth of emotion of these times is captured beautifully in selected works by Cristóbal de Morales and Sebastián de Vivanco. This year's tour takes its title from a poem by Saint John Henry Newman – a personal plea for divine guidance during times of uncertainty and personal crisis. Kerensa Briggs explores these emotions in her piece specially commissioned for this year's tour, complemented by James MacMillan's emotive setting of Newman's words 'Nothing in Vain.'

Tickets are on sale and are available on our website here: (<https://thesixteen.com/event/the-choral-pilgrimage-2026-southwell/>) If you would like to book tickets for a group of 10 or more, we have a 10% discount available in addition to a range of concession tickets.

## **ECO Church Tips for February from A Rocha**

### **FEBRUARY**

This Lent, take part in Climate Steward's Carbon Fast. Lent is a time when Christians traditionally fast and focus on God. The Carbon Fast will help you consider ways to live more simply, give you new ideas to cut your carbon footprint and invite you to focus on God and consider the whole of his creation. Beginning on 5 March, you'll receive a weekly email containing key facts, suggestions for how you could reduce your carbon footprint and a prayer to lead you through this Lenten season. Each week features a different theme designed to help us take climate action in manageable ways that bear witness to a God who has promised to restore all of his creation. Find out more and sign up at [climatestewards.org/resources/carbon-fast/](https://climatestewards.org/resources/carbon-fast/)
