CONNECTIONS

As we head into the holiday season Connections continues every week on Wednesdays, and we would welcome a few more helpers. If you enjoy a chat, crossword or game of dominoes, and could help serve visitors with a drink, cake and lunch, Connections is the place for you. Please have a word with Ian, Shelagh, Anthony or anyone on the team.

Aiming for Gold

Next week, starting Sunday 7th, we are conducting a survey in the churchyard of the plants, insects and wildlife we have living there. The school will be spending some time there and anyone from the church is welcome to participate. Please talk to Steve Jenkins who has some information from 'Caring for God's Acre' which will help to identify plants, insects, butterflies and birds. We can send in our results to build a picture of the extent of wildlife in churchyards in the UK. Come and spend a quiet time exploring what we have in our churchyard
