VICAR UPDATE

Thank you so much to all who have been praying over the past months and in particular this week of visits and interviews. The visit day went smoothly and thanks to those who took part.

Even if the post is offered to one of the candidates this week, and the offer is accepted, it will be some while before any announcement can be made as it will have to be coordinated with their current parish and diocese.

Please keep praying as we await final confirmation of the result.

Wednesday Prayer Meeting – As we move into half-term, with folk away, there will be no prayer meeting in the Stanley Room next week or on zoom but, as mentioned above, please keep praying as we await final confirmation of the result.

Prayer Ministry is available between 10.00 & 10.30am and at the end of the 10.30am service. The team are identifiable with badges. If you need help in finding someone, please ask a warden or a welcomer on the door.

The Holy Trinity Prayer Wall is available on our website and can be accessed by using [this link](#) or from the ['Joining in' section of the prayer webpage](#) on the website.

CHURCHES TOGETHER EVENTS

The next Southwell Churches Open Forum will be hosted by Living Waters Fellowship.

We hope to see as many of you as possible there and please feel free to bring any other interested parties.

If you are planning to come to the meeting on November 9th please may I ask any of you with **DIETARY REQUIREMENTS** to let Michael Martin know **ASAP** for ease of catering.

If you have anything you would like us to consider putting on this meeting's agenda please will you let me (Trisch Thornton) know details by **Friday 1st November**.

There will be no AOB on the day.

Museum of the Moon

After the success of last year's Gaia Earth installation, the Minster are delighted to announce Luke Jerram's *Museum of the Moon* at Southwell Minster from 11-22 October 2024. Come and see the moon as never before.

7m moon created using detailed NASA imagery – sound composition by BAFTA winning composer Dan Jones.

Tickets and more information from southwellminster.org/moon

ECO CHURCH

The church is supporting the private members Climate and Nature Bill in Parliament and it would be good for as many people as possible to register their support as well. You can find out more at www.zerohour.uk

RECYCLING BIN

We now have a 'silver' recycling bin for church. Please use it for church produced recyclable waste. The rules are the same as for your home recycling bin, so no glass and the same limits on packaging as at home (no soft flexible wrapping, no metallic coated paper, no food contaminated paper), yes to cans and plastic bottles, rinsed out first. Also don't forget the battery recycling box in church.

NOTICE BOARDS

Have you checked out the new notice boards, we have a new location for the Safeguarding notices to ensure that it takes the proper priority that we have to respect and care for all people within our church community. The Mission board and ECO Church boards have moved, have you seen where they are?

DATES FOR YOUR DIARY

On Saturday, 16th November, we will be hosting a Tear Fund Quiz Night. Donations on the evening will go towards transforming the lives of people living in poverty. More details nearer the date.

In the past we have supported "Shoebboxes" running up to Christmas but this year PCC have decided that we will only support the **Great Notts Christmas Toy Appeal** who are expecting enquiries for their service to be much higher this year. If you are able to donate gifts this year they would be very grateful. For ages and ideas please following the link <https://christmastoyshomesteadcloud.com> which gives update on last year's donations and where you can find information about the items they would welcome this year. Our "collection" Sunday will be Advent Sunday – 1st December. A bank account, for anyone who finds it easier to make a monetary donation has been set up by them which is Lloyds Bank, The Great Notts Christmas Toy Appeal, Sort code: 30-99-50, Account No. 46621862.
