This is specifically to focus on the discipleship & forward vision of the church during the interregnum and the process of seeking a new vicar.

**CLIMATE ISSUES**

As 2024 begins we are mindful that as a silver status Eco church, we need to do all we can to care for God's creation. Here is a link to A Rocha's Eco calendar which gives a simple, practical focus for each month of the year. We'll also have a copy on display in church.

For January – Make '*enjoying nature*' your priority. From bird watching to writing about or drawing something that inspires you in nature, growing your own fruit or vegetables, or exploring an area of outstanding natural beauty in the UK, be sure to fall in love with nature in a new way this coming year and allow it to lead your thoughts towards God our Creator.

## PASTORAL CARE

*Bear each other's burdens, and so fulfil the law of Christ - Galatians 6:2*

Our small groups are the first port of call for pastoral care at Trinity, but we just want to flag up that there is also a team of people who can be contacted if you are aware of any particular needs or you do not belong to a small group. Currently it comprises Julie Payne, Phil Dent, Suzanne Dent, Jo McDonald and Ann Stafford (contact numbers below).

## MISSION NEWS

We have recently given an extra donation to Church Mission Society which has been divided into £500 for helping to reduce the overall giving shortfall to CMS and £500 specifically to our mission partners, who have also just moved into their new mission house in Spain. There is more information on the notice board. We also gave £500 to Mission Aviation Fellowship and the offering for Remembrance Sunday yielded £158 for SASRA.

A further reminder that Graham Archer from Church Pastoral Aid Society will be with us on January 28th and will speak at both services. There will be an offering in support of CPAS at those services and Graham will be available to answer questions about the process to appoint a new vicar.

For more information on these mission strands, please speak to Ian Baird-Smith.

## STAYCATION FOOD

A number of people generously made Bolognese Sauce for the Staycation weekend which unfortunately was cancelled due to illness. The Sauce is in the Church freezers but needs to be used in the next few weeks. If you made a sauce and would like it back please let Helen, Chris or Margaret know, otherwise we will use the sauce for other church events.
